

Erdős–Rényi graph with 6 nodes

Erdős–Rényi graph with 15 nodes

Erdős–Rényi graph with 100 nodes

3 regular graph (cubic) with 14 nodes

3 regular graph (cubic) with 400 nodes

2 dense graph connected with one edge - 16 nodes

3 regular graph (cubic) with 200 nodes

Graph 2D grid 10 nodes - negative current means opposite direction

Graph 2D grid 100 nodes - negative current means opposite direction

Small world graph 20 nodes

Small world graph 400 nodes
